Gentlemen:

I wrote you some time ago, asking you to shippme one or two gross of balls. To date I have not received confirmation of the order, or the balls.

We open our league season here in Newark May 7th, and I am of course growing anxious about the balls, as I do not have any on hand.

You were kind enough to have some recovered for us, which we are using in camp.

I will appreciate hearing from you about when I can expect the balls. I would also like to have some word about when to expect the uniforms I ordered, if it is possible.

Very Truly Yours
